BIO

I am a Steadicam and camera operator who loves nothing but to operate and create composition which tells exciting stories.

My goal has always been to help develop the best images the DOP and Director wants as well as what suit the style and or narrative language in question.

I specialise in Fiction, Commercials, Branded Content, Promos and Documentaries. I'm comfortable working in all disciplines and I enjoy the unique challenges of all genres and styles

I own my own Steadicam rig for any professional HD, Film or digital cinema camera
